

Features

Complete production starting from magnetic sheets allows for quick custom configuration.

▶ A flexible sheet that can be processed into various shapes.

Applications

▶ LCD TVs, car navigation systems (portable navigation device), digital camcorders, digital still cameras, etc

▣ Typical Specifications

Items	Specifications (TYP.)			
	HMSAW* (35N)	HMSZW* (30N)	HMSAX* (35NH)	HMSZX* (30NH)
Model				
Frequency range	10MHz to 5GHz			
Permeability μ " (1MHz)	120	100	120	100
Permeability μ " (100MHz)	35	30	35	30
Category temp.range	-40°C to +85°C			
Thickness (magnetic layer)	0.1 / 0.2mm			
Surface resistance	1×10^7			
Maximum dimension	300mm × 40m			
Halogen-free	N.A.		YES	
Flame retardance	UL94 V-0		N.A.	
Shape of supply	Sheet or Roll
